CIRCA  
TRIPOD

# CIRCA TRIPOD

Available Fall 2016

## DESCRIPTION

Introducing Circa Tripod, the latest addition to the infinitely modular Circa family, taking Circa to new sculptural heights. Comprised of 3 independently adjustable light heads balanced atop a dynamic tripod tree, Circa Tripod allows light projection in all directions. Circa Tripod's glare free flat panel LED light source is fully dimmable to create a dramatic statement in any environment. Circa Tripod is available in a gloss white and graphite.
