

# BELMONT

In creating the Belmont pendant, designer Brad Ascalon re-envisioned the traditional fabric shade lamp but with the warmth and preciousness of hand-crafted furniture. Belmont's iconic, yet reductive form creates a natural canvas for displaying an exquisite array of textiles from premium wool to colorful woven fabrics that can be paired with a crafted solid wood armature in white ash, walnut or black-stained ash. Belmont can be hung individually or in stunning groupings to provide warm and comfortable illumination for any contract, hospitality or residential environment.
