

# BOLA

Bola is a uniquely expressive LED Pendant system that's designed to feature a distinctive range of shade types. Its elegant globe diffuser is made of blown opal glass and is available in 4 distinct sizes (4"(10cm), 5"(13cm), 6"(15cm), 8"(20cm)). Bola can be paired with a variety of shade options from exquisite aluminum discs in polished and plated finishes to rich undulating wool felt hats. Bola casts up to 1800 lumens of warm ambient light and is fully dimmable, providing unparalleled illumination with multiple personalities and limitless configurations to choose from. Bola can be suspended individually, in series, or as stunning groupings for both residential and hospitality settings alike.

# BOLA *DISC*

## DESCRIPTION

The Bola *Disc* strikes a perfect balance of proportion and reflection by pairing exquisitely polished aluminum reflectors in chrome, rose gold, gunmetal, and gloss white lacquer with blown opal glass globes elegantly mirrored to create the illusion of weightlessness. Available in four disc sizes with elegant proportional spheres, Bola *Disc* casts 600 to 1800 lumens of unparalleled illumination in residential, contract, and hospitality settings alike.
