

CIELO XL

The minimalist Cielo pendant Series is expanding to include the stunning new Cielo XL, a taller and slimmer design offering premium machined aluminum finishes and boasting a warm and brilliant 1200 lumen output. Cielo XL is scaled perfectly for hospitality and residential environments alike and can be suspended individually, in a series or as chandelier groupings to provide directional illumination that is both perfectly balanced and glare free. Cielo XL is fully dimmable and employs state of the art flat panel LED technology which is rated for up to 50K hours of use.

CIELO XL

DESCRIPTION

Cielo XL combines minimal design, premium materials, and a dimmable advanced LED flat panel light source to efficiently deliver 1200 lumens of glare free warm light. A stunning piece individually, Cielo XL is also ideal for bringing light to entryways, lobbies, bars, and dining tables in a grouping or as a chandelier. Available in precision machined aluminum and rich lacquer finishes, Cielo XL complements a wide range of residential, contract, and hospitality interiors.
