Care and Maintenance Instructions

To obtain the best performance from your new lamp please follow these instructions.

Changing Light Bulbs: To change the light bulbs, please do the following.

1. Unplug the lamp.
2. The light bulbs can be simply replaced by removing the wire clip that holds the bulbs in place.
 - Table Lamp: Use only a 35 Watt maximum MR16 Bi-pin 12 volt. Your lamp will not operate if wattage exceeds 35 watts.
 - Floor Lamp: Use only a 50 Watt maximum MR16 Bi-pin 12 volt. Your lamp will not operate if wattage exceeds 50 watts.
3. Once the bulbs have been replaced, simply clip the wire back into the aluminum ring.

Cleaning: Wipe with a soft damp cloth.

Troubleshooting

White Dimmer: If the lamp features a white dimmer and it fails, the dimmer can be replaced at your facility. Contact Pablo for a replacement dimmer. (You will need to use a phillips head screwdriver for installation.)

Black Dimmer: If the lamp is equipped with a black dimmer switch, please contact Pablo for further instructions. Black dimmers are no longer available and can only be replaced with white models.

Buzzing Issues: Dimmers emit a slight buzzing sound when in lowest setting. This sound will not interfere with the operation of your lamp.

Base Separation: If the base becomes separated from the rest of the lamp, the lamp was likely damaged during shipment. First, make sure lamp is unplugged. Next, try to reattach shaft to base by threading shaft in a clockwise. If you are unable to do so, please contact Pablo for further instructions.

Lamp Wobbles: If the lamp wobbles slightly, check to make sure that all of the rubber feet are seated properly on the bottom of the lamp's base. If one or more of the feet have come off, reattach the feet with super glue.

Lamp Won't Turn On : Make sure the light bulbs are fully inserted into socket receptacle.

Bulb: Gloss Table - (2) 35 Watt (35 watt maximum) 12 volt MR16 GE Bi-pin FL 40° Beam (included) / Gloss Floor - (2) 50 Watt (50 watt maximum) 12 volt MR16 GE Bi-pin FL 40° Beam (included)
