- Manufacture: USA
- Designer: Pablo Pardo
- Design: 1995

### Care and Maintenance Instructions

To obtain the best performance from your new lamp please follow these instructions.

Changing Light Bulbs: To change the light bulbs, please do the following.

1. Unplug the lamp.
2. Remove the shade simply pulling it straight up from the metal bracket. Once the shade is removed, the bulb can be replaced. Use only a 60 watt maximum torpedo bulb. (Using a different bulb will risk burning the polycarbonate shade.)
3. After the bulb is replaced, the shade can be placed back onto the bracket.

Cleaning: To keep your Isabella Lamp clean, wipe with a clean damp cloth. The shade is washable with soap and water.

## **Troubleshooting**

If The Lamp Does Not Work: Please follow these instructions.

1. Light bulb may have loosened during shipping. Make sure light bulb is screwed in properly. Check to see if lamp works.
2. If lamp continues to not work, change out with a new light bulb. If after that the lamp still does not work, you may have a faulty cord set/socket. Please notify Pablo for a repair/return instructions.

If there are any additional questions regarding your Isabella Lamp, please contact us directly.
