

BOLA DISC PENDANT

MATTE COLORS

DESCRIPTION

Bola Disc is a uniquely expressive LED lighting system featuring matte aluminum disc reflectors that create a softer, more atmospheric presence through their interaction with light and surrounding space. An opaline glass globe is paired with finely finished aluminum discs in Sand, Clay, Moss, and Taupe, paired with offering a refined, tactile alternative to its reflective counterparts. Matte shade colors can be paired with Matte Black, Matte White, or Chrome stems and canopies, allowing for a wide range of visual expressions and application styles. Fully dimmable, Bola provides warm, ambient illumination and can be configured across flush mount, pendant, multi-drop, linear, and chandelier typologies for residential, contract, and hospitality settings.

FIXTURE TYPE

Pendant

LIGHT SOURCE

Custom integrated LED, high-output chip on board

LIGHT CONTROL

Hard-wired, dimmable

Compatible with TRIAC/ELV and 0-10V dimmers

Dali compatibility upon request

FEATURES

Warm Dim

SPECIFICATIONS

Voltage: 120V-277V 50/60Hz

Power Consumption: 6W (12", 18"), 12W (22"), 20W (32")

Color Temperature: 2700K-1800K (Warm Dim),

3000K, 3500K

Luminosity: 290Lm (12"), 290Lm (18"), 800Lm (22"), 1625Lm (32")

Luminaire Efficacy: 48Lm/W (12",18"), 66Lm/W (22"), 80 Lm/W (32")

Color Rendition Index: 95 CRI

50K hour lifespan

Cord Length: 8.9' (2.9m) (Field cuttable)

BOLA DISC FLUSH

MATTE COLORS

DESCRIPTION

Bola Disc Flush will now be available in four painted finishes. The objective with the Bola Flush is to provide both direct and reflected light from either ceiling or wall mounted vantage points. Bola Flush brings elegance and refinement with four sizes and finishes in, sand, taupe, clay, moss, black and white. An ideal fixture for adding diffused and reflected light in hallway corridors, nooks, dining settings, bedrooms, or living areas. Stunning groupings can also be created by mixing different sizes together to form unique custom light displays.
